### Differentiators

We specializing in training and facilitation of leadership development and employee enrichment.

- Only Nevada based company that has a certified HR professional on staff with certifications from the broad range of internationally recognized, award winning leadership and development programs listed under our credentials.
- Because we are channel partners with larger organizations such as Ken Blanchard Companies, ELI, Inc, and others, we have the ability to scale and accommodate local and global clients of any size.
- In addition to the professional credentials Chris Belmont has earned, she spent 30+ years as a business operations leader, earning real world success as a business executive in industries such as hospitality, retail, entertainment, and production.
